10/16/07	1055	F/U re: Wellbutrin (for Dr Sugerman)
		(S) "I'm upset about legal stuff"
		(O) Pt c/o depression/anxiety re: "legal stuff" + "some paranoia".
		Denied AH, VH, SI, HI. We discussed at length - CDCR
		mandated D/C of Wellbutrin (it becomes nonformulary 11/1/07)
		Discussed changing his medication to Effexor XR - potential
		benefits/ SE's. Pt stated he would take Wellbutrin until
		it will no longer be available 11/1/07, but refused another
		antidepressant (briefly considered Prozac, then declined it, too).
		He signed a Refusal form, clearly stating he is aware Wellbutrin
		will be nonformulary (explained to him) + not available as of 11/1/07,
		but that he wants no other antidepressant medication
		(A) MDD ē psychotic features PTSD
		(P) Pt was encouraged to consider another antidepressant, +
		to let psych services know if he changed his mind.
		Will ask that pt be ducated in ASAP to see his
		regular psychiatrist (after he returns in early Nov.) for F/U.

Date/Time:	Use Name & Title Stamp.
1/17/07	CCCMS-N/A (S) "I'm a little depressed + I have
	alot of paranoia. I was jumped at another prison
	by a couple of guys + I think it's going to happen
	again. Also I'm not sleeping. I just can't
	go to sleep. I think about suicide once in
	a while but I never tried to kill myself.
	I'm not thinking about suicide now. I came
	here from SCC because of problems I was
	having with other I/Ms there. My crime was ADW
	+ my EPRD is 2014. I've got good relations with
	my mother + my kids. I think that I have
	improved my life + I'm taking more responsibility
	for my behavior." (O) appeared stable, focused,
	coherent, + pleasant. (A) Depressive D/O, NOS +
	Psychotic D/O NOS. Has some depression + reports
	that he continues to be very paranoid. (P) Continue
	c CCCMS. He attends one group for self-esteem.
	It is recommended that he also be in a
	12 step oriented group for his ETOH problem.

LAB RESULTS:

ASSESSMENT

Axis I Depression d/o NOS

Axis II ☐ **Deferred**

Axis III

Axis IV **Incarceration** Yrs: Mos: ☐ Uncertain about date of parole.

Axis V Current GAF = 58

PLAN ☐ **Labs Ordered** **RTC:**

☐ Continue current psych med regimen ☐ Revise current psych med regimen

☐ Patient noted to show improvement and progress on current medications. Rationale for revision / continuing:

I/m stable on meds

PATIENT EDUCATION

☐ Medication Informed Consent Obtained

☐ Patient educated about the nature of his mental illness; risks, benefits, and alternatives to treatment options, most common and serious side effects discussed including but not limited to carbohydrate metabolism and potential suicidality.

☐ sleep hygiene ☐ compliance ☐ relapse prevention

☐ Patient refuses psych meds, does not meet criteria for Keyhea, & Med Refusal form is in file.
